OCTOBER 10–14, 2018 | CHICAGO, IL | aaos.org/BoardPrep

If you are taking Part 1 of the Board Exam in 2018, this course should be part of your study plan. Fourth year residents can also gain valuable insights for your final year of residency.

Faculty draw on material based on common test questions to lead you through the enormous amount of content for each specialty area. This focused approach includes dedicated time for high-yield review sessions to re-cap the most important testable facts and concepts.

This unique blended learning program is the exclusive course with pre- and post-event online access, to study the content and build your confidence at your convenience and at your own pace.

Supplemental course content - available NOW! (for registrants only.)

10 recorded webinars on study topics across orthopaedics

Online high-yield videos: 8 sessions on key study points for each orthopaedic specialty area

Download the PDF syllabus 1 week prior to the course

Extra post-course content, exclusively from AAOS:

200 self-assessment questions – Accessible from May – July

Over 1,000 test questions – from 2010-2013 OSIE exams: answers and discussion

Free registration for the live webinar offered in June 2018 - focus on how to analyze test questions and answers to identify the correct answer.
