**BRODSKY / BARYSHNIKOV** is a one-man show based on the poems of Nobel laureate Joseph Brodsky, performed by legendary dancer/actor [Mikhail Baryshnikov](#). Conceived and directed by [Alvis Hermanis](#), **BRODSKY / BARYSHNIKOV** is an emotional journey deep into the poet's visceral and complex compositions. Performed in Russian and subtitled in English, Baryshnikov recites a selection of his long-time friend's poignant and eloquent works. His subtle physicality transports the audience into Hermanis' reverent imagining of Brodsky's interior world.
