Overview:

The Customs-Trade Partnership Against Terrorism (C-TPAT) is a voluntary supply chain security program led by U.S. Customs and Border Protection (CBP). It is intended to improve the security of supply chains of private enterprises against the threat of terrorism.

Why should you Attend:

The attendee will learn how to develop a standard approach to complying with the voluntary C-TPAT guidelines.

In this webinar, we will provide an overview of the Customs and Trade Partnership Against Terrorism:

Understanding of the C-TPAT program, compliance and benefits of joining the program  
Industry best practices related to C-TPAT compliance  
Strategies for reducing the cost and complexity of compliance with C-TPAT

Areas Covered in the Session:

C-TPAT Certification and Benefits  
International Terrorism as a Challenge  
Mitigation of Terrorist Threats  
Mutual Recognition Arrangements  
Best Industry Practices
