

CAR-TCR Summit

Date : Sep 04, 2018 - 08:00 AM

Event URL : <http://www.BostonEventsList.com/events/car-tcr-summit-sep-2018>

Organizer : CAR-TCR

Venue :

Location : Boston, MA10001,
BOSTON, MA, US, ZIP: 10001

The CAR-TCR Summit will guide you through the full end-to-end development process from basic research through to patient delivery in CAR-T and TCR therapies:

- â– Novel precision genetic engineering to improve solid tumor targeting
- â– Mechanisms to overcome the tumor microenvironment
- â– Clinical development to identify biomarkers of response
- â– Automation and manufacturing processes to reduce the overall cost of goods and improve turn around time
- â– Streamlined logistics of vein to vein delivery
- â– Regulations and reimbursement to ensure accessibility and global commercial delivery
