How do you lead under crisis or amidst hyper growth? Can you keep your team from running wild yet still run fast? In this hands-on workshop, Consero Global's VP of CFO Services Mike Dansby and Managing Director Eric Sockol will share leadership principles and help you apply them immediately to practical situations. Take a closer look at real-life examples of both the successes and failures. Discover techniques to ensure survival and ultimate recovery of the enterprise, especially when everyone is panicking around you. This workshop will combine presentations and group discussions.
