Insight II: The Opening Heart Seminar

In a safe and supportive journey, Insight II opens your heart by getting free from anything that has been holding you back in your life and embracing your true self.

Over 5 days, you will have an opportunity to look at:

- Letting go of past hurts
- Learning how to communicate from an open and loving place
- Becoming more confident and courageous
- Expressing more authentically
- Trusting your intuition when making choices

- Loving yourself unconditionally
- Discovering your talents and gifts
- Affirming what's really important to you
- Creating go-to reference points and tools to use as guides through life's challenges outside the Seminar

-

What to Expect:

Insight II is a stretch into opening your heart to recognize your own magnificent and authenticity. Many grads say this Seminar was life changing.

Insight II is limited to 40 participants. This creates a safe and welcoming space for individual sharing and expression. By the end of 5 days, you will have connected with people who may become lifelong friends in your journey of self discovery with Insight.
