Food Tank, in collaboration with the Friedman School of Nutrition Science and Policy at Tufts University and Oxfam America, is excited to announce the inaugural Boston Food Tank Summit. This two-day event will feature more than three dozen different speakers from the food and agriculture field. Researchers, farmers, chefs, policy makers, government officials, and students will come together for discussions on diverse topics. The theme for the Summit is Investing in Discovery.

This is the second event in our 2017 Food Tank Summit Series, which will bring together some of the world's most impactful food system leaders. Last year, the Food Tank Summits sold out and drew in more than 31,300 livestream viewers. This is a can't miss event for 2017!
