July Basic Compliance Academy

July 24, 2017 - July 27, 2017

Boston, MA

Space is limited to 75 participants.

HCCA's Basic Compliance Academy is a three-and-a-half-day intensive training program focusing on subject areas at the heart of health care compliance practice. Its faculty is made up of experts in the field. Courses are designed for participants who have a basic knowledge of compliance concepts and some professional experience in a compliance function. Attendees gain comprehensive knowledge of the following:

- Policies, Procedures and Infrastructure
- Corporate Responsibility
- Risk assessment
- Education and Training
- Routine Auditing and Monitoring
- Stark and Anti-Kickback
- HIPAA Privacy and Security
- Conflicts, Discipline & Incentives

The Academy addresses methods for implementing and managing compliance programs based on the Seven Element Approach. Courses cover subject matter in each of these areas and better prepare interested parties for the CHC exam (The course provides you with sufficient credits required to sit for the exam.) The optional CHC Exam is held on the last day of the academy, the optional CHC Exam requires a separate application and payment from your academy registration.

Course materials are provided and include an attendee binder with a copy of all of the presenter's presentations as well as a One Year electronic subscription to the Health Care Compliance Professionals Manual. All materials will be handed out onsite.

An integral feature of the HCCA Basic Academies is the ability to meet industry peers. During the course of the Academy, HCCA will provide a networking event that will give participants the opportunity to meet with each other in an informal environment.

Academies typically sell out several weeks, if not months, in advance. Consequently, we encourage prospective attendees to enroll as early as possible.
