TRINETX SUMMIT 2018

Where Healthcare Organizations and Industry Meet

Join us for the TriNetX Summit, our second annual users conference held September 25-26, 2018 at Hotel Commonwealth in Boston. The two-day, invitation-only event will bring the global community of TriNetX members together to network, learn from the experience and success of peers, explore the creation and utilization of real world evidence, and guide the company's product roadmap including design, enhancements and development timelines.
