

4th Annual Genome Editing USA Congress

Date : Apr 07, 2020 - 12:00 PM - Apr 08, 09:00 PM

Event URL : <http://www.BostonEventsList.com/events/4th-annual-genome-editing-usa-congress-apr-2020>

Organizer : Oxford Global

Venue : Hyatt Regency Boston

Location : 1, Avenue
De Lafayette Boston, MA, USA, ZIP: 02111
Phone: 441865248455

3 outstanding programmes bringing together Europe's key genomics experts in Next Generation Sequencing, Single Cell Analysis, Genome Editing.

80+ case studies, solution And technology presentations And 2 interactive workshops over the 2 days.

07 April 2019 - Day One

- Genome Editing Technologies And Techniques
- Drug Discovery And Development Applications in In Vivo Therapeutics

08 April 2019 - Day Two

- Drug Discovery And Development - Target Identification and Validation
- Non-Human Models in Diagnostics And Therapeutics
