Attend BPI to Advance Your Drug Candidates Closer to Approval

Join 2000+ scientists, engineers and executives working across the entire spectrum of biopharmaceutical development and production at this year's meeting, held September 9-12, 2019 in Boston.

1) The Most Innovative Science

Capitalize on 225+ case studies and new data presentations from global thought leaders to improve integration, productivity and cost savings across the entire bioprocessing spectrum.

2) The Largest Exhibition Devoted to Biomanufacturing

Accelerate your drug product to market by accessing innovative products and technologies from 200+ global exhibitors devoted to serving the biopharmaceutical manufacturing industry.

3) The Right Partners for You

[www.BostonEventsList.com](http://www.BostonEventsList.com)

Establish successful partnerships with 2000+ bioprocessing professionals made up of global innovators, suppliers, academia and associations who can help you achieve commercial success for your novel therapeutics.
