The LSX World Congress USA is a gathering of the industries foremost life science executive leaders.

Now in it's second year, LSX USA follows the unique style and format of the LSX World Congress in London focusing on strategy, investment and partnering.

The three core pillars of our community are:

- * CxOs of life sciences companies
- * Heads of Pharma Business Development
- * Investors

We address and look to find solutions to the respective challenges they face, and connect them with strategies, solutions and contacts to enable growth and development in their businesses.
